

Creativitree # 21

On your daily exercise take a closer look and see if you can spot any of these signs of spring.

I spy
with my little
eye

Creativitree # 21

☐ frogspawn

look in lakes and streams for frogspawn or tadpoles

☐ butterflies

peacock butterflies with deep red wings and 'peacock eyes'

☐ pine cones

see how many different types of pine cones you can find

☐ bluebells

bell-shaped flowers which can be found on the woodland floor

☐ caterpillars

big ones, fat ones, small ones and hairy ones!

☐ catkins

can you find any new catkins opening for spring?

☐ flowers

look for flowers high up in horse chestnut trees

☐ blossom

can you see the white blossom of hawthorn or blackthorn?

☐ birds

birds will be out looking for food, how many can you see?
