Brilliant bird song with Owl

Here are some of the birds you might see or hear in the forest and the songs they seem to sing!

Pretend to be each bird and try singing its song.

Tawny owls, one owl says "toowit" **and the other replies** "toowhoo"

Robin sings "twiddle-oo, twiddle-eedee"

Chiffchaff says "chiff chaff, chiff chaff"

Great tit sings "teacher-teacher"

Chaffinch says "pink pink"

Try this!

Make up your own birdsong.

What sound would you make if you were happy, as a warning, trying to find your friend?

How many of these birds can you see or hear out on a walk in the forest? Write down your answer
