# Learning at Bedgebury

## Create your own forest art!

Autumn is a great time to explore Bedgebury National Pinetum. With loads of autumn colours in the fallen leaves & needles, and cones & fruit on the ground, there is lots to find!

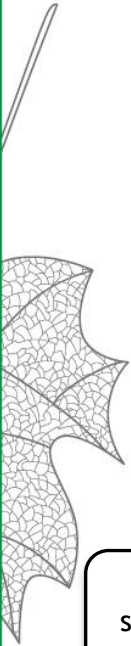

So why not grab a collecting bag, get hunting and use your 'finds' to make a forest art masterpiece? We'd love to see your creations - you can post a picture on social media and tag us using the hashtag **#BedgeburyForestArt**

## Need some inspiration?

Why stick to a flat picture? Try building a natural, 3D sculpture!

Try using an existing picture and add your forest art to it.

Leaves come in all shapes, sizes and colours, and make a fun base for some mini-art.

Patterns look great too - look for different colours, shapes and textures.
