Forestry England forests and woodlands have been certified in accordance with the UK Woodland Assurance Standard (UKWAS)

Clockburn Design Concept

Scale: 1:5,000

- Plantation on Ancient Woodland site
- PAW's coupe fell
- Ancient Semi Natural Woodland
- Retain some large conifers
- Site of Special Scientific Interest

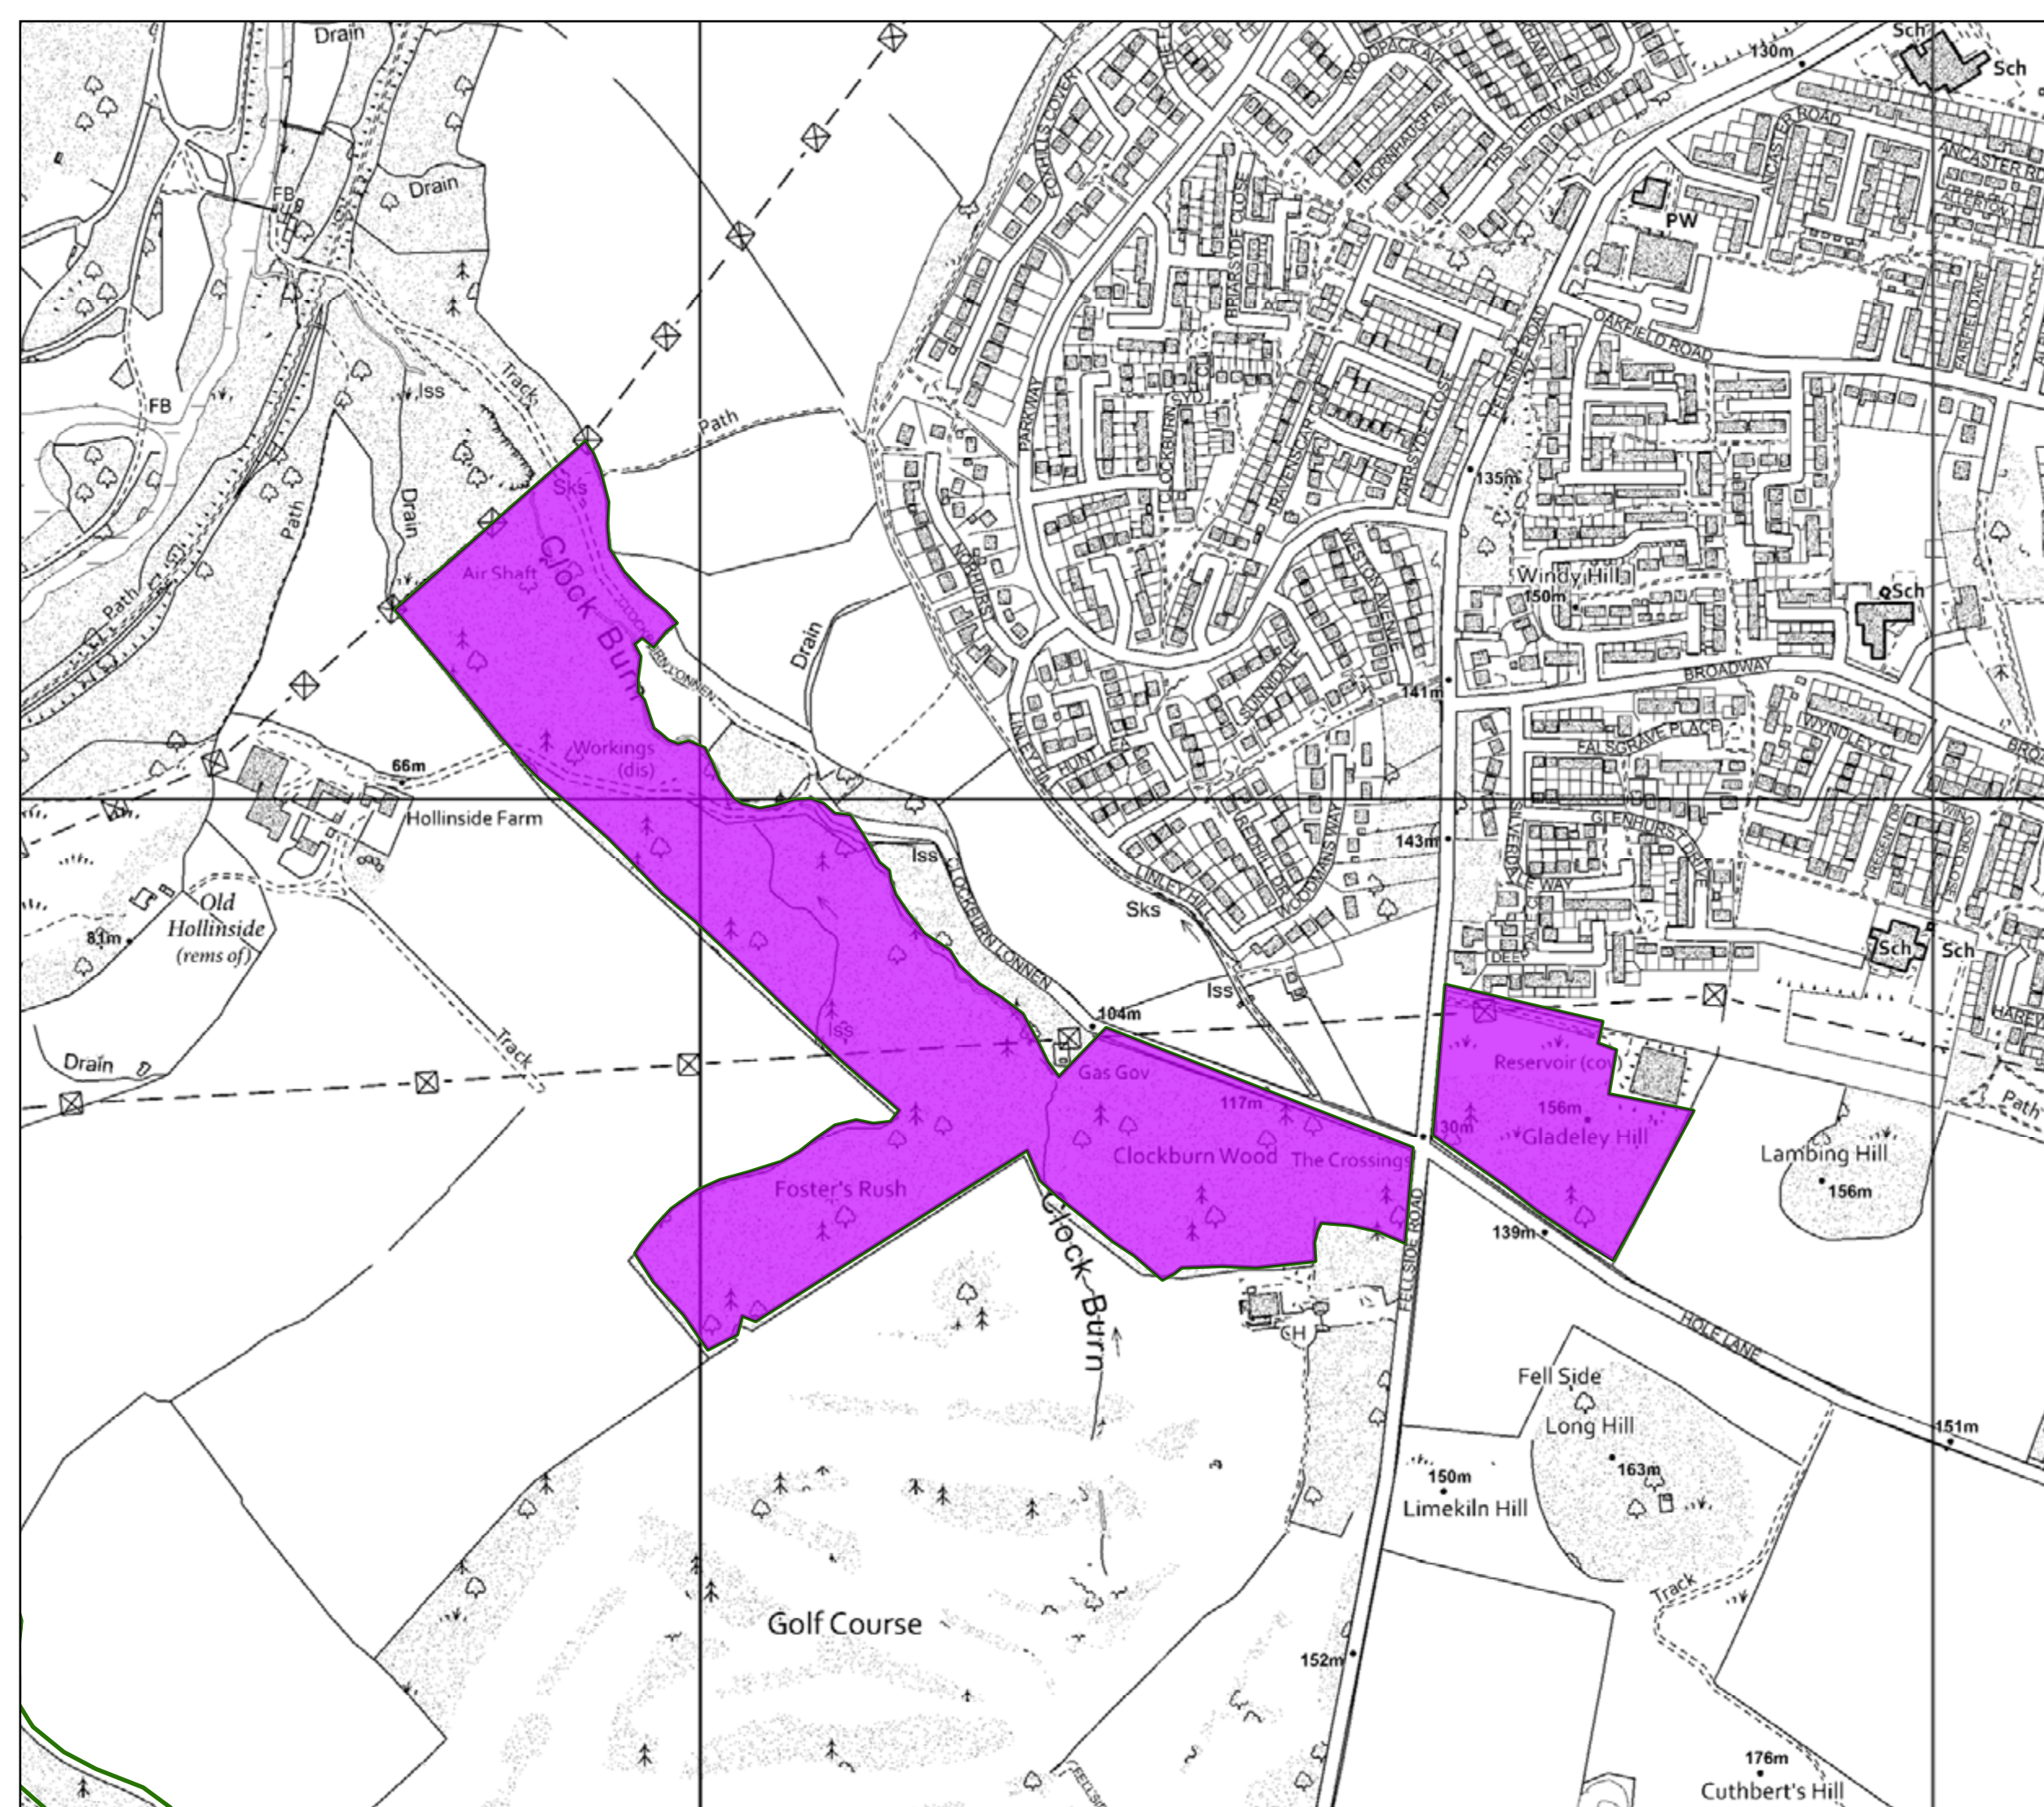

Plantation on Ancient Woodland Site
Through thinning and natural regeneration convert non native plantations to native woodland. The number of interventions that will be required to achieve this will vary over the woodland.
