Background Information

Forestry England are the country's largest land manager, caring for the nation's forests for people, nature, and the economy. The foundation of our organisation is our world-class sustainable management of the nation's forests.

The Central Forest District has responsibility for the management of some 30,000ha of the Nation's Forests within a triangle formed by Liverpool, Hull, and Milton Keynes. This gives rise to a large diversity of users, customers, neighbours and pressures, all of which are interacting on a varied backdrop of land uses.

The district has three Community Woodland areas, in Nottinghamshire, The National Forest and the Northwest covering Greater Manchester, Merseyside and Lancashire.

Community Woodlands are a key element of the land holding the Forestry Commission manages, providing woodland sites for local communities to enjoy, for nature to thrive and timber to grow. The Community Woodlands vary in size and facilities and are managed by small, dedicated, and motivated teams.

We are proud to be able to offer shadow volunteer individuals with an interest in pursuing a career in conservation, community engagement, recreation, site management, working with volunteers and the public and wanting to gain experience in the sector.
