Background Information

Forestry England are the country's largest land manager, caring for the nation's forests for people, nature and the economy. The foundation of our organisation is our world-class sustainable management of the nation's forests.

The Central Forest District has responsibility for the management of some 30,000ha of the Nation's Forests within a triangle formed by Liverpool, Hull, and Milton Keynes. This gives rise to a large diversity of users, customers, neighbours and pressures, all of which are interacting on a varied backdrop of land uses.

We are proud to be able to offer a shadow ranger volunteer opportunities for individuals with an interest in pursuing a career in conservation, community engagement, recreation, site management, working with volunteers and the public.

The district has three Community Woodland areas, in Nottinghamshire, The National Forest and the Northwest covering Greater Manchester, Merseyside and Lancashire.

Community Woodlands are a key element of the land holding the Forestry Commission manages, providing woodland sites for local communities to enjoy, for nature to thrive

Shadow Volunteers

and timber to grow. The Community Woodlands vary in size and facilities and are managed by small, dedicated, and motivated teams.

This role will be based in the National Forest area shadowing the Community Ranger in the wider woodlands within Northwest Leicestershire, South Derbyshire, and North Staffordshire. These sites include Sence Valley, Ibstock and Dimmingsdale, Alton as two frequent work locations. The role will provide an opportunity for the Shadow to learn about and participate in recreation, woodland management, volunteer work parties and volunteer supervision.

This position is for Community Shadow, National Forest.

Successful applicants will be given training and development opportunities by work shadowing current community ranger staff. They will shadow staff and develop on the job skills, including development of practical site management, working within communities, volunteer management, engaging and working with the public, schools and colleges. The National Forest Shadow Volunteer role enables individuals to gain experience of managing our recently restored Community Woodlands and surrounding mature woodlands.

What we offer

- Training relevant to the role from your experienced member of staff you are shadowing along with gaining knowledge from wider colleagues.
- Guidance and support in applying for further training or employment opportunities.
- Out of pocket expenses for travel beyond reporting station to relevant training opportunities. This does not cover travel costs within the National Forest.
- Volunteer parking pass after 35 hours of volunteering.
- Volunteer uniform.
- Formal training opportunities - first aid, risk assessment and manual handling

Purpose

Experience, encourage and support active community and volunteer involvement on countryside sites within the National Forest area; through community practical projects, engagement and management of community interest groups and public expectation. Learn how to involve local people in the decision making and management of their local environment.

Working as part of the Community Ranger team assist, support and help empower local communities to become actively involved in the care and management of urban fringe woodlands & countryside sites in the National Forest. Assist and provide support to a diverse range of people, experiencing a range of tasks, activities, and procedures that rangers undertake within their role.
