

New Forest District

Detailed Plan

Moors Valley Country Park

Legend

- Play Structures
- Play Trail
- Block rides by planting with trees and shrubs
- Tree top trail
- Watercourse
- Trails
- Community Area
- GpApe area - no work to take place without prior consultation with GoApe
- RecreationZone
- Felling period 2007-2011
- Felling period 2017-2021
- Felling period 2022-2026
- Felling period 2032-2036
- Felling period 2037-2041
- Felling period 2037-2041
- Felling period 2047 & beyond
- Fell to extend and consolidate existing open areas and to widen rides
- Thin to develop a diverse woodland structure
- Maintain dense woodland structure
- Manage for continuous cover using an irregular shelterwood system to promote the development of mixed woodland of varying structure and diversity.
- Thin to retain scattered mature trees and shrubs
- Underplant with birch and gorse and thin to develop natural regeneration to provide screen
- Mire (Bog/Marsh) - Remove/keep clear of trees/scrub. Restore hydrological system using drain blocking and bedlevel raising where required. Graze where possible.
- Heathland - Restore and maintain heathland using traditional heathland management techniques where possible including grazing, controlled burning, bracken control and gorse swiping.
- Heavily thin to produce heathland flora by retain wide, irregularly spaced groups and individual character trees
- Existing open space
- MVCP Car Park

Date: 2 June 2009

Scale: 1:6,000
