

Forestry England

# Timber sales

Tender of standing timber & logs

Forestry England forests and woodlands have been certified in accordance with the UK Woodland Assurance Standard (UKWAS)

To be opened on:

[forestryengland.uk](http://forestryengland.uk)

## FORESTRY ENGLAND TIMBER SALES CONDITIONS OF TENDER V0.1

The Forestry Commission, acting through Forestry England, offers to sell by open and competitive tender, the lots set out in this tender catalogue, subject to these conditions of tender which govern the rules of the bidding and the award of the lots.

1. Bids can only be submitted through the internet portal of Forestry England's Electronic Sales System (eSales). To register for eSales go to webpage <https://esales.forestryengland.uk/> or contact [operationsadmin@forestryengland.uk](mailto:operationsadmin@forestryengland.uk)

National Operations Business Support Team  
Forestry England  
620 Bristol Business Park  
Coldharbour Lane  
Bristol BS16 1EJ

2. The harvesting and removal of the products sold in this tender will be subject to the Terms and Conditions of the Forestry England Timber Sales Contract indicated in the Lot information in eSales. The contract Terms and Conditions, and the incorporated Procedures and information documents, may also be read and downloaded from [www.forestryengland.uk/timber/contract-documents](http://www.forestryengland.uk/timber/contract-documents).

3. All bids must be submitted through the eSales system by **12.30 on 3<sup>rd</sup> November 2022**. Bids cannot be submitted into eSales after this time. It is your responsibility to ensure that your bids have been submitted before the sale event closes. Please note that checks are made by Forestry England during the registration process and you should allow at least a week before your registration can be approved.

4. You are responsible for making your own adequate connection to the internet to use eSales and to access the lot information and conditions and all the contract documents. You are also responsible for your costs of making a bid.

5. You shall be deemed to be acquainted with the terms and conditions of this sale, and the terms and conditions of the harvesting and removal of the products and any special conditions of access or other working hazards or constraints are as set out in the lot information and conditions, before making your bid. Your arrangements to inspect the lots should be made directly with the Forest District. Contact details and addresses are given overleaf.

6. Forestry England reserves the right to withdraw lots at any time.

7. The description of the standing trees and products in the Sale Catalogue is believed to be true and accurate but is not guaranteed. In all respects you must satisfy yourself that the Lot is suitable and will meet your needs and expectations before bidding.

8. Forestry England shall not be bound to accept the highest or any bid and shall be entitled to accept a bid as a whole, or in respect of one lot or in respect of several lots in the tender offer.

9. No lot carries entitlement to a continued supply of timber outside the Terms and Conditions of the Contract.

10. The dates of commencement and of completion of contracts, and any appropriate operative dates and instalment payment dates are as stated for each Lot in the catalogue. Subject to clause 13. of these conditions of tender, Forestry England will presume that you have accepted and agree to the stated dates.

11. The amount that you bid must be in the units specified in the Lot information either as a lump sum, a price per m<sup>3</sup> underbark, a price per m<sup>3</sup> overbark or a price per tonne. All bids shall be exclusive of Value Added Tax, which shall be added to the accepted bid price of each lot at the appropriate rate.

12. If You wish to bid on several lots but do not want to purchase more than a given quantity, then your overall 'volume limit' for the tender event must be entered in the field (box) provided for this purpose in eSales. Where your winning bids in the tender event would exceed your stated volume limit, Forestry England will select the lots that are to be sold to you within your volume limit. Lots will not be split.

13. Should you buy more than one lot, Forestry England may amalgamate them into as few contracts as is appropriate in order to reduce transaction costs. In addition, either party may request that the timing of the commencement, completion and payment dates of one or more of the contracts be rescheduled. This will be at Forestry England's sole discretion, but such agreement will not be unreasonably withheld.

14. Payment terms are as stated in the Contract Terms and Conditions. Credit terms can be arranged at Forestry England's sole discretion and will be subject to satisfactory credit checks.

15. Where the lot information states that a deposit must be paid, this will be in accordance with the **Deposit Procedures** available at [www.forestryengland.uk/timber/contract-documents](http://www.forestryengland.uk/timber/contract-documents) and the deposit will not exceed 10% of the contract value upon sale.

16. Sawlogs are offered as random lengths within the range specified against each lot in the catalogue. Forestry England may make a charge to recover the loss of overall value that Forestry England may suffer through meeting your requests to cut logs to your specified lengths (as explained in the Forestry Commission publication 'Classification and Presentation of Softwood Sawlogs').

17. All timber on offer is certified to the Forest Stewardship Council® (**FSC® 100%**) licence code FSC-C123214 and the Programme for the Endorsement of Forest Certification® (**100% PEFC®**) licence code PEFC/16-40-1001 standards, under Forest Management / Chain of Custody certificates issued by the Soil Association Certification Ltd. referenced **SA-FM/COC-006972** and **SA-PEFC-FM-006972**

18. **Lots 1.13 and 1.14** are offered subject to a '**Reserved Timber Element**' (**RTE**). In these lots, Forestry England will retain ownership of the quantity and type of timber (specified as the RTE volume) in the lot information and conditions. If your bid is accepted for any of these lots, you agree to produce the RTE volume to the stated specification as part of your harvesting operations, and you must place it on the designated Stacking Sites for Forestry England to remove and sell.

17. Your bid price for these lots must therefore allow for the additional cost of producing the RTE quantity as in the example below. You are advised to contact the Operations Manager at Yorkshire Forest District if you need any clarification or confirmation of the RTE requirements (and how to calculate your bid) before bidding on these Lots.

18. Example of a Lot subject to an RTE condition.

*Lot X is a 4700t standing sale, which includes an RTE of 500t. The Bid must be made on a £ / tonne basis.*

- *You are bidding for the purchase of 4200t of produce only*
- *Your bid price must be a single price in £ / tonne for 4200t*

- *Your bid price must allow for the additional costs of harvesting the extra 500t which you will not be buying.*

## **FORESTRY ENGLAND FOREST DISTRICT CONTACTS**

Arrangements to inspect or discuss Lot Information and Conditions can be made by contacting the Forestry England Forest District staff below

### **North England Forest District**

Christopher Clare (Operations Manager- Harvesting & Marketing)

Eals Burn

Bellingham

Hexham

Northumberland

NE48 2HP

Tel: 0300 067 4338 e-mail: christopher.clare@forestryengland.uk

### **Yorkshire Forest District**

Jon Bates (Operations & Planning Manager)

Outgang Road

Pickering

North Yorkshire

YO18 7LT

Tel: 0300 067 4307 e-mail: jon.bates@forestryengland.uk

### **Central Forest District**

Carolyn Marshall (Operations & Environment Manager)

Sherwood Pines Forest Park

Old Clipstone

Nr Mansfield

Notts

NG21 9JL

Tel: 0300 067 5451 e-mail: carolyn.marshall@forestryengland.uk

### **East England Forest District**

Gareth Jones (Operations Manager- Harvesting)

Thetford Forest Park

Santon Downham

Brandon

Suffolk

IP27 0AF

Tel: 0300 067 4503 e-mail: gareth.jones@forestryengland.uk

**All bids must be made via Forestry England's online eSales system ( <https://esales.forestryengland.uk> ) as detailed in the general conditions of sale at the front of this catalogue. In the event that Forestry England's systems are unavailable for a significant period of time in advance of the sale, we will notify registered eSales users of the position by email, or by a message on the sales website. Those wishing to make a bid are responsible for making their own adequate connection to the internet.**

**Tenders correctly submitted for Lots in this sale will be 'opened' at 12:30 hours on 3 November 2022 unless otherwise notified as set out above**

## **Forestry Commission**

Forestry England is an Executive Agency of the Forestry Commission. It is responsible for the management of the forests and woodlands owned by the nation. Its objectives include the production and supply of timber for the wood using industry, the conservation of wildlife in its forests and the provision of wide ranging recreation opportunities.
