Forestry England

Festive pine cones

Pine cone **robin**

1 Find some leaves and feathers from the forest floor.

2 Use glue to attach your items to the cone to make a colourful pine cone robin!

You will need:
- Pine cones
- Red paint
- Beads
- Feathers
- Leaves
- Yellow paper
- PVA glue

You will need:
- Pine cones
- PVA glue
- Biodegradable glitter
- Pipe cleaner
- Green paint

Pine cone **Christmas tree**

1 Mix some PVA glue and green paint together.

2 Paint your pine cone, then sprinkle on glitter.

3 When dry, wind a sparkly pipe cleaner around to look like tinsel.

Did you know?
Pine trees are important for timber (wood) and provide food and homes for wildlife. Like all conifer trees they produce seed bearing cones.
