Forestry England

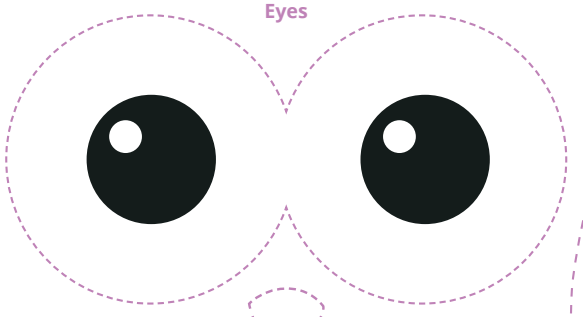

Make your own Paper Owl

What you'll need:

- [ ] Colouring pencils
- [ ] Scissors
- [ ] Glue and sticky tape
- [ ] A stick

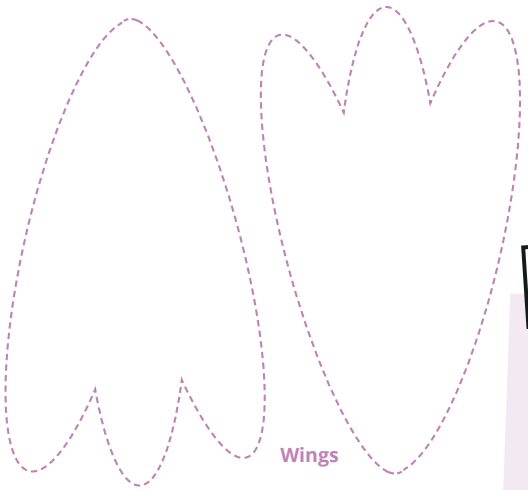

Eyes

Feet

Beak

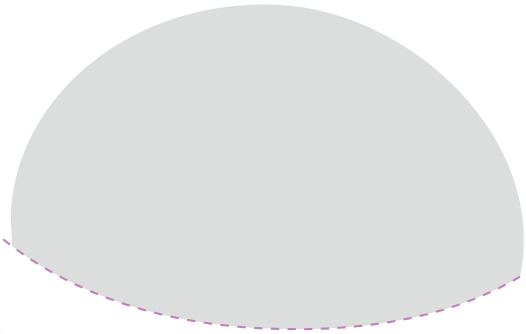

Feet

Wings

Owl body

Steps

1. Colour in all the shapes that make up your owl and then cut them out – ask a grown up to help.
2. Stick on the eyes and beak to make your owl's face. Then glue the wings and feet to its body.
3. Attach a stick to the back of the owl's body with some sticky tape.

TIP: Back the body with card to make it more sturdy.

Share your creations with #GruffaloSpotters for the chance to WIN prizes
