Visiting with your dog

We welcome all responsible dog owners, we ask that you follow our simple code.

Control

Always ensure your dog is in sight and will come back when called.

Clean up

Always bag it and bin it.

Consider others

Don't let him approach people, other dogs or horses uninvited.

Know your zones

In some areas dogs are not allowed or must be kept on a lead.

Protect farm animals and wildlife

It is a criminal offence to allow your dog to worry wildlife or livestock.

Please note, dogs are not allowed in play areas and must be kept on a lead in some parts of site - see map.

Welcome to Jeskyms

the outdoors on your doorstep

Walking

Choose from a range of easy access, hard surfaced trails or step off the beaten track onto 8km of grass trail.

Playing

Young explorers can climb a tree house, run off steam in the sand pit play area or navigate our children's trail (trail theme changes seasonally).

Nature watching

Jeskyms is a haven for wildlife, so why not sit back and just listen and watch for a while.

Horse riding

Riders can explore widely on five miles of grassed horse trail. Walking and trotting welcomed, please do not canter or gallop.

Cycling

Gentle surfaced paths make cycling easy for the whole family. Please always give way to pedestrians.

Dog walking

With large off lead areas, a fenced training area and even a Dog Activity Trail, Jeskyms is the perfect place for pooches!

Orienteering

Test your navigational skills on our permanent orienteering course. Download a map from the website.

Five different zones provide year round interest

Jeskyns Woods

100,000 young trees make up Jeskyns own brand new woodland.

Jeskyns Meadows

100 acres of meadowland with over 40 species of wildflower provide important habitat for wildlife.

Jeskyns Orchards

756 different varieties of apple as well as plums, cherries, pears, walnuts and cobnuts grow in this area.

Jeskyns Glades

With a backdrop of ancient woodland, this tranquil area is the perfect place to get away from it all.

Jeskyns Grove

This secluded area, sown with barley and wildflowers provides shelter and winter food for birds.
