

Ranger In A Bag

Each bag contains:

- Equipment, games and resources
- Activity instructions
- Health and Safety guidance
- Sample risk assessment
- Plenary activities

Fantastic Forests

Get to know the trees intimately, by exploring them whilst blindfolded, then look more closely at their structure to identify them and understand their importance.

Amazing Animals

A selection of clues and evidence left behind by forest animals and birds, as well as a minibeast search in the forest habitat, will inspire the detectives and naturalists within your group.
