Walking trails

Explore one of our easy walking trails, which guide you through a variety of habitats and play areas nestled among the trees.

Archers Stroll ○○○

2.4km (1.5 miles)

An easy all weather surfaced trail, suitable for pushchairs and wheelchairs. This walk takes in some of the oldest trees in the forest with seating and a picnic bench along the way and at the Dragonfly Pond. All the play areas are found along this trail. Follow the white waymarkers.

Castle Walk ●●●

4.8km (3 miles)

An easy to moderate unsurfaced route following Archers Stroll trail then leading towards the trenches. It will take you through a variety of forest habitats, from mature pine to lowland heathland. Follow the pink waymarkers.

Finding your way

Follow the coloured trail markers on timber posts. Look out for any warning signs.

Rangers Path ●●●

8km (5 miles)

Our longest walking trail, exploring the forest landscape from pine and broadleaf woodland and heathland. Gain insights into how Sherwood Pines operates as a working forest. The walk offers a real chance to get some woodland solitude amongst the rich historical and natural features of the area. Follow the brown waymarkers.

Running & cycling trails

For running trails, follow the signs to the trail start

To find out more about cycling in the forest, visit the cycle trail map near the bike hire building
