How to play

It's a bit like hide and seek!

2 Shut your eyes and count to 20.

Everyone else runs off to find a place to hide (you can pretend to be Gruffalo, Fox, Owl or Snake).

If the finder is struggling to find everyone, keep shouting '1,2,3, where are you?' to give you a clue. The game is finished when everyone has been found.

- Don't go too far we don't want to lose you for too long!
- When the finder has counted to 20 they shout '1,2,3, where are you?'
- 6 Everyone else calls out 'over here!'.
- 7 The finder then goes off to find the others.
- 8 The last one to be found is the winner!

Swap finders & play again!

- Choose someone to be 'Gruffalo'. Gruffalo stands at one end of the playing area. Everyone else stands in a row a few metres behind facing Gruffalo.
- 2 To play the game...Gruffalo turns around, so he has his back to the other children.
- R The children chant: 'What's the time Gruffalo?'
- Gruffalo turns around and says a time (for example, 3 o'clock).
- The children move forward the number of steps called out and then repeat the chant and wait for a response.
- 6 Gruffalo can, at any moment once the line of children are close, respond 'lunch time' in a loud growl and chase the children, tagging the new Gruffalo.

Gruffalo Party Flag

Fun Activity Sheet

How to make Your party flag

- 1 Colour in your flag, using colouring pens or crayons.
- Stick your flag to a sheet of card.
- Cut your flag out, not forgetting the stick holes (you might need an adult to help you with this bit).
- 4 Finally get your stick and weave it through the holes.

You will need:

- 2 Colouring pens or crayons.
- 3 A slim stick!

Sticky Party Crowns

How to make your own

You will need:

- 1 Some card for a headband (so long enough to go around your head).
- 2 Double sided sticky tape.

To make it:

- 1 Cut the card into strips 4cm thick. Get an adult to help measure your head, cutting the strip of card to size.
- 2 Take your double sided sticky tape and stick it along the length of the headband.
- O not remove the outer part of the tape until you are ready to stick things on!
- 4 Take your headband to the forest and search for different leaves, grass heads or other light weight natural materials to stick to it.
- Once you are happy with your design, overlap the two ends slightly to form a circle and stick together with tape.
- 6 Don't forget to take your Gruffalo badge with you to stick on the front of your crown, for the finishing touch!

Gruffalo Fun Activity Sheet Medallion

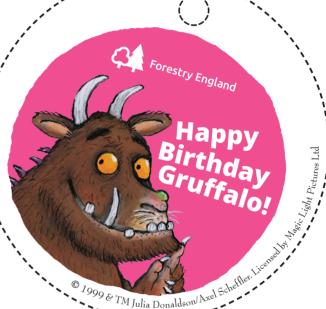

How to make your medallion

You will need:

- A sheet of thick card.
- Some ribbon or string.

To make it:

- Stick your medallions to a sheet of thick card.
- Cut out carefully, not forgetting the hole.
- Use colourful ribbon or string to thread through the hole, creating a necklace
- 4 Wear your medallion with pride and enjoy your party picnic!

Olympic summer activity

Could you be a Forest Champion like the Gruffalo?

Being a forest champion is about trying hard, being a good friend and taking care of ourselves and the things we love.

How many of these activities can you complete? Tick them off as you go along!

Let's get out and have some fun! Time to pick up the pace...

- Try wiggling your arms like Snake, upwards, to the side, around you
- Try some natural play. Can you find a log to balance on?
 Get a stomp on and go for a walk in your local woods.

Teamwork and having fun together

Good things happen when we work as a team! Find your friends and see what you can achieve together.

Work together to spot these three things;

Tree

Spot or build a mini den for an animal.

Try a mini-relay race. Use a stick as your baton.

Respect and looking out for each other

The forest does great things for us, let's look after the forest too!

- Hug a tree and say thank you
- Pick up one piece of litter using a stick and put it in the bin or in a bag to take home

Walk carefully so you don't squash any plants with your feet.

Resilience and rising to the challenge

Will you keep going until these challenges are completed?

- Learn a new dance move. How many tries did you have before you got it?
- Can you say this tongue-twister?

2Stand on one leg and count to 10. Can you get to 10 without putting your foot down? Keep going!

Tiny Timmy's ten teammates tackled tricky tasks together

Friendship and getting to know each other

Spending time with our friends is a great way to learn about each other.

- Take or draw a picture of your family and friends in the forest
- Explore somewhere new together
- Tell each other one fun fact about your favourite animal.

Healthy minds and healthy bodies

Sometimes stopping is just as important as going! Take a break and enjoy being in nature.

- Take two deep breaths and gaze up at the tree canopy
- Move through the forest slowly so you can see and feel more
- Stop or sit down, what can you smell around you?

Great job everyone!

You're now a real Forest Champion, just like the Gruffalo!
