What's
Happening in
Gisburn
17th October 2023

Tree felling in Gisburn: Rocky Road, Home Baked and Egg Berry Trails closed from 17/10/2023

Sorry if our work affects your plans during this time. From Tuesday 17th Oct we will be starting tree felling and extraction works in these areas. These works will continue for a number of months completing in December 2023. To protect public safety we will need to close working areas (shaded red above) to public access.

Please avoid entering the red shaded areas, follow all diversion signs and avoid approaching working machinery and timber lorries.

Thank you for your co-operation.
