

# Wyre Forest National Nature Reserve and Forest Plan

Plan Period 2016 – 2026

Forestry Commission West England Forest District  
Natural England South Mercia Team

<b>PART 1 – Introduction and Fifty Year Vision for the Wyre Forest</b>	<b>4</b>
1.1 Wyre Forest NNR and Forest Plan—Objectives	5
1.2 Wyre Forest Management Area: Location and Context	6
1.3 Wyre Forest Designations and Ancient Woodland Status	7
1.4 Fifty Year Vision for the Wyre Forest	8
1.4.1 Fifty Year Vision for the Wyre: Habitats	9
1.4.2 Fifty Year Vision for the Wyre: Woodland Composition	10
<b>PART 2 – Description of the Wyre Forest</b>	<b>11</b>
2.1 Physical Features	12
2.2 Flora	13
2.3 Fauna	14
2.4 Adder and pearl-bordered fritillary distribution: 2016	15
2.5 Invertebrates	16
2.6 Vegetation and Landscape Character	17
2.7 Heritage	18
2.8 Current Habitats of the Wyre: 2016	21
2.9 Current Woodland Composition of the Wyre: 2016	22
2.10 Current Naturalness Scores: 2016	23
<b>PART 3 – Policy, Objectives &amp; Rationale</b>	<b>24</b>
3.1 Habitats of the Wyre: 2016	25
3.2 Woodland Composition of the Wyre: 2026	26
3.3 Policy, Objectives & Rationale: Woodlands	27
3.4 Policy, Objectives & Rationale: Coppice	28
3.5 Policy, Objectives & Rationale: Wood pasture	29
3.6 Policy, Objectives & Rationale: Resilience	30
3.7 Policy, Objectives & Rationale: Open Habitats and Scrub	31
3.8 Policy, Objectives & Rationale: Woodland Rides and Railway	32
3.9 Policy, Objectives & Rationale: Meadows and Orchards	33
3.10 Policy, Objectives & Rationale: Wet flushes, Streams and Pools	34
3.11 Policy, Objectives & Rationale: Species management	35
3.12 Policy, Objectives & Rationale: Landscape and Historical Environment	36
3.13 Policy, Objectives & Rationale: Site Enhancement and Acquisition	37
3.14 Policy, Objectives & Rationale: Visiting the Forest	38
3.15 Policy, Objectives & Rationale: Education and interpretation	39
3.16 Policy, Objectives & Rationale: Volunteering and Community	40
3.17 Policy, Objectives & rationale: Survey, Monitoring and Research	41

<b>PART 4 – Management Prescriptions</b>	<b>42</b>
4.1 Management Prescriptions: Woodlands	43
4.2 Management Prescriptions: Coppice	46
4.3 Management Prescriptions: Wood Pasture	47
4.4 Management Prescriptions: Resilience	49
4.5 Management Prescriptions: Open Habitats and Scrub	50
4.6 Management Prescriptions: Woodland Rides and Railway	51
4.7 Management Prescriptions: Meadows and Orchards	52
4.8 Management Prescriptions: Wet Flushes, Streams and Pools	54
4.9 Management Prescriptions: Landscape & Historic Environment	56
4.10 Management Prescriptions: Species Management	57
4.11 Management Prescriptions: Site Enhancement and Acquisition	58
4.12 Management Prescriptions: Visiting the Forest	59
4.13 Management Prescriptions: Volunteering and Community	61
4.14 Management Prescriptions: Education and Interpretation	62
4.15 Management Prescriptions: Survey, Monitoring and Research	63
 <b>PART 5 – Management Proposals</b>	 <b>64</b>
5.1 Management Area Thinning Map 2016-2026	65
5.2 Felling Map: Kinlet and Earnwood	66
5.3 Felling Map: Hawkbatch	68
5.4 Felling Map: Longdon Orchard	70
5.5 Felling Map: New Parks	72
5.6 Felling Map: Wimperhill	74
5.7 Felling Map: Brand Wood	76
5.8 Felling Map: Ribbesford	78
5.9 Felling Map: Longdon Wood and Withybed	80
5.10 Felling Map: Hitterhill and Town Coppice	82
5.11 Felling Map: Rock Coppice & Brandlodge Wood	84
 Appendix 1: Tenure & Management	 86
Appendix 2: Wyre Forest SSSI Condition	87
Appendix 3: Impacts Affecting features of Wyre Forest NNR	88
Appendix 4: Climate Change Vulnerability Assessment	90
Appendix 5: Monitoring and Evaluation	91
Appendix 6: Consultee Record	93
Appendix 7: Application for Approval	94
Appendix 8: NNR Management Plan & Approval Plan	95
