

# Breathing Fire

Year Three

Bravo!

In Year Three the dragons learned to blow fire...

Can you make a fire picture using sticks and colourful leaves found in the forest?

You deserve a gold star for being such a fantastic dragon! Ask an adult to cut the star out for you.

Share your photos on our Facebook page, we'd love to see them!

## Breathe fire just like Zog...

### You will need:

- Scissors
- Toilet roll
- Colourful tissue paper
- Glue

 You deserve a gold star  
for being such a fantastic  
dragon! Ask an adult to cut  
the star out for you.

### Steps:

1. Take your colourful tissue paper and cut it into flame like shapes
2. Using your glue, stick your tissue paper 'flames' to the inside of the toilet roll
3. Once the glue is dry, hold the toilet roll up to your mouth and breathe as hard as you can to make the flames at the other end move about.

## Now you can breathe fire just like Zog!
