Make your own set of wings and fly like Zog

"All the dragons in Year one were learning how to fly..."

Steps:

1. Take a large piece of orange fabric and fold it in two.
2. Measure the length from the middle of your back to your wrist. Then using a pencil draw a straight line onto the fabric the same length.
3. From one end of your line, draw a wide semi-circle to join the two ends of your line together.
4. Next, cut out your fabric. Try cutting wiggles along the semi-circle so your wings are the same shape as Zog's
5. Using a needle, create a small hole at one end of your wings. Thread a strip of ribbon through each hole.
6. Tie the wings to your wrists using the ribbon and attach onto your back using the safety pins.
7. Now you're a dragon-like Zog!

Please ask an adult to help with using scissors and needles.

You will need:

- Orange Fabric
- Scissors
- Ribbon
- Safety pins

Fly with Zog

In the story, Zog learns to fly in dragon school, can you pretend to fly like Zog?...

Stay safe when you practise flying like Zog, always ask an adult to help you.

Flying lesson 1:

Who can jump the furthest into the sky? With your friends and family practice jumping up high. Who can jump up the highest?

Flying lesson 2:

Zog has to flap his wings fast to fly up high, how fast can you flap your wings?

If you complete dragon school by downloading all 5 lessons you'll be entered into a prize draw to win an exciting Zog goody bag!*

*T&C's apply

Try flapping your arms as you jump, now you're flying like Zog!

Well done
for completing
Year One
of dragon
school!

You deserve a gold star for being such a fantastic dragon!
Ask an adult to cut the star out for you.
