Cycling safety

- Have the right bike and wear the right safety clothing for the type of riding you're doing - always wear a helmet and gloves.
- Cycle within your abilities.
- Don't rely on others; can you get home safely?
- Take care around other visitors, walkers and horses.
- Always follow warning signs, instructions and diversions.
- If a vehicle is loading timber, wait for the driver to let you pass.
- Expect the unexpected.
- Off-road cycling is an additionally hazardous activity carrying significant risks. It should only be undertaken when you understand those risks and can deal with them. The guidelines on this panel must always be used in conjunction with the exercise of your own experience and careful judgement.
- Routes may change due to tree felling or other forestry work. These works can be dangerous, so **follow all warning signs and instructions**.
- Motorbikes and quadbikes are not allowed on cycle trails.
- Dogs are not allowed on cycle trails, except shared use trails.
- On shared use trails, look out for walkers, dogs and other visitors.
